St. Genevieve Community Church

"Building Our Future"

Capital Campaign Overview - October 2026

Our Vision

St. Genevieve Community Church has served the greater Cleveland community for over 100 years. Our 350-family congregation gathers in a building that has witnessed baptisms, weddings, funerals, and countless acts of community service. This building is our home, and it needs our care.

The Campaign Goal

Total Goal: $2,500,000
Pledged to Date: $1,100,000 (44% of goal)
Remaining: $1,400,000

Renovation Scope

Component	Estimated Cost	Description
Sanctuary Structural Reinforcement	$650,000	Foundation repair and masonry restoration
Education Wing Renovation	$480,000	New classrooms and updated materials storage
Accessibility Improvements	$320,000	Elevator, accessible restrooms, ramp
Choir Loft and Organ	$280,000	Staircase replacement and organ restoration
Mechanical and Electrical	$420,000	HVAC, electrical panel, energy efficiency
Contingency Reserve	$350,000	10% contingency per architect estimate
Total	**$2,500,000**	

Architecture and Construction

Braverman and Associates (Cleveland, OH) have been engaged as project architects. Preliminary drawings are complete and available for review. Novak and Sons will serve as general contractor, pending final board approval.
