Program Site Visit Checklist

Before the visit

- Confirm with the lead teaching artist
- Pull the enrollment and attendance for that room
- Bring supplies from the back of the SUV

During

- Watch one full class, sit in the back, no interruptions
- Talk to two young people about what they are making
- Note safety, supplies, and what the room needs

After

- Quick note to the coordinator with two wins and one fix
- Log anything that touches budget or hiring
